REPORT OF AUDITOR

I have examined the books and accounts of the Selectmen, Town Treasurer, Town Clerk, Tax Collectors, Road Agent, Library Trustees, Cemetery Commissioners, and Trustees of Trust Funds, have compared their several accounts, vouchers and bank statements of funds on deposit, and find these records and accounts to be in agreement and believe these reports to be a true record of the conduct of the Town Business for the year ending January 31, 1937.

I have also examined the books and accounts of the Treasurer and Commissioners of the New London Water System Precinct and find them correctly cast and supported by proper vouchers and bank statement of funds on deposit February 1, 1937.

IRA S. LITTLEFIELD, Auditor.

TRACY MEMORIAL BUILDING

Librarian's Report

For the year ending September 30, 1936

With the coming of October 1936, Tracy Memorial Building completed its tenth year of service to the community. A glance at the records of the years shows a steady growth in the scope and character of its contribution. The tenth year has been no exception.

The usual organizations have held their regular meetings in the building: namely the Woman's Club, the Garden Club, the Hospital Aid, the Stamp Club and the Forum; while occasionally there have been meetings of the Civic Association, the 4-H Clubs, the King's Daughters, the Woman's Aid, Farm Bureau Dairy Groups and many committees of the various town organizations.

Among other uses of the building have been the use of the basement for moving pictures for the high school classes; and the use of basement, club room and hall by the various organizations for demonstrations, pageants and plays. Two parties were given as tributes of appreciation to the Superintendent of the New London Hospital and to one of the school teachers, both of whom were leaving town for other fields of activity. The piano pupils of Mrs. Almina K. Barton gave a recital in the hall. On the evening of July 18 the library presented Miss Mildred Messer in a song recital.

During the celebration of Four-Hundred Years of the English Bible a most interesting exhibit was arranged in the library. Besides many very old Bibles there were shown copies of the Bible in twelve different languages. Other exhibits during the year have been: Daguerreotypes, tintypes and silhouettes of local people, North American wild

flowers, Medicinal Herbs in water-colors, Nantucket the Far-Away Island, a scythe made by the New London Scythe Company in 1885-88, a collection of mummy cloths, a very tiny book, and several interesting dolls.

The Stamp Club had its Second Annual Exhibition in May. Great interest was shown. The club sent an exhibit of Canadian stamps and air-mail covers to the Keene Philatelic Exhibition.

The third year of the New London Forum proved conclusively the important place that organization now holds in the community. The meetings were divided into five groups: December—Current Events, January—Education, February—English, March—Science, and in April a group of panel discussions of Current Events.

Good Book Week was observed with the usual display of books in the Post Office window under the slogan "Reading for Fun". On an evening during the week Miss Dorothy Morse, R. N., of Sunapee, gave a most interesting talk on "A Nurse's Experiences in Chile and Brazil".

The Holiday Season was observed with appropriate decorations, a Christmas service, and New Year's Open House. There was a tree and program in the children's room, and the children of the fifth and sixth grades gave a very pretty play "The Littlest Shepherd" at the library. At the Open House colored motion pictures were shown by Mr. Herbert D. Swift.

During the early summer the building was repainted. The library was closed for the month of August, at which time the entire interior of the building was redecorated and a new heating system was established in the assembly hall. This system makes it possible to have the hall heated and available at all times, an improvement which is much appreciated.

About five hundred books were added during the year—two hundred and fifty of them by gift. Through the generosity of "A Graduate of Yale" and several other friends of the library a group of fifty exceptional books was included in this number. Mrs. Tracy's gifts included a beautiful edition of the complete plays of Eugene O'Neill and a seven-volume set of Childcraft. Other generous gifts of books were received from Mrs. Victor Cutter, Mrs. Christine Morey and the estate of the late Mrs. Francisco J. Manrique.

There have been changes in the staff during the year. On June first Miss Mildred Peaslee resigned. She is now in the reference department of the Carpenter Memorial Library at Manchester. Miss Lennie M. Messer was made assistant librarian with charge of the children's room. Miss Alice A. Todd was also added to the staff as assistant and has charge of all musical activities.

Collections of books have been sent frequently to the Elkins school, a service which is much appreciated. Books from the Traveling Library of the State Library Commission have been borrowed at various times for the use of the pupils of the town schools. From time to time books have been borrowed from the State Library for classes and individuals. A large number of gift books which were duplicates of those already on our shelves have been given to other libraries where they would be of service. Several of our books have been loaned to the Traveling Library for Rural Women.

Respectfully submitted,

BERTHA M. GLASSEY, Librarian.

REPORT OF THE NEW LONDON HOSPITAL AND NURSING ASSOCIATION

Looking over old reports of past secretaries, we find mention made of plans and specifications for an addition to the hospital which would include delivery room, X-ray room, dark room, nursery and an elevator shaft. At last our dream has been realized and we have all of these things, including excellent X-ray equipment valued at $1,350, bought by Colby Junior College, housed by the hospital and used with the best interests of both in mind.

Contributions totaling nearly $1,000 were received after letters were sent out requesting funds for the addition. Open House was held May 12th, that being National Hospital Day, and tea was served in the dining room.

Miss V. Geraldine Crowell of Exeter, N. H., took over the position of head nurse October 24th, 1935, replacing Miss Ellen Boyle whose resignation went into effect on that date.

Repairs to the extent of $1,000 have been made during the past year, including a new hot water tank, and painting of the hospital building inside and out.

Tag Day netted over $1,260 not including receipts brought in by entertainments given by various hotels and summer camps. Lake Sunapee Country Club gave $229 toward the building fund.

The gift of a large instrument sterilizer in August fills a long felt want, the old one having been much too small.

Donation Day brought in the usual gifts of canned fruits, vegetables, jellies, etc.

To all those friends of the hospital who have aided us in various ways we wish to express our appreciation and thanks.

A few figures give some idea of the work accomplished in 1936 as compared with the previous year:

X-Ray,	137	83
Major operations,	48	31
Minor operations,	58	44
Number births,	46	39

Average number patients per day, 5 plus (yearly)

Lowest average number patients per day per month, 3 in December.

Highest average number patients per day per month, 10 in August.

Respectfully submitted,

DORIS SHEPARD, Secretary.

HOSPITAL AID ASSOCIATION REPORT

For the Year Ending October 1, 1936

Seven all-day meetings and three afternoon meetings were held by the Hospital Aid Association. These meetings were spent in mending for the Hospital and making articles for the Tag Day Sale.

Four bridge parties were held and candy was sold at town meeting. A very successful Rummage Sale was followed by the annual Membership Drive and Donation Day. As usual, these met with a generous response. Pillows were rented at the Town Hall movies and the Barn Playhouse during the summer.

The supply of hospital linens was replenished and a new chair was purchased for the reception room. The sum of $400 was paid on the Hospital debt.

The officers of the Hospital Aid Association are very grateful for the splendid cooperation of all those who have assisted them in so many ways during the past year.

AUDITOR'S CERTIFICATE

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of New London, of which the above is a true summary for the fiscal year ending June 30, 1936 and find them correct in all respects.

M. ROY LONDON, Auditor.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the members of the New London School Board:

I herewith submit the annual report of the Superintendent of Schools.

School Work

The work of the school is going smoothly under the present efficient administration. We are emphasizing drill for mastery in the fundamental subjects. Although we may not attain perfection we feel that we are making progress. This is shown by standard tests, especially in the subject of reading. Typewriting is again offered as an additional non-credit subject and is still popular with the pupils. This year 15 pupils are starting typewriting and six are taking it for the second year. In response to some requests for an extension of commercial courses we are considering the addition of another teacher who would have charge of instruction in typewriting, junior business training, bookkeeping, and possibly shorthand. Such an extra teacher would make it possible for the present teachers to give more courses in language. These are needed for those preparing for some colleges.

We appreciate having the services of Miss Alice Todd in music instruction this year. This is made possible by the thoughtful generosity of Mrs. Tracy. Miss Todd has charge of the high school boys' glee club, the girls' glee club, and grades 7 and 8. She gives piano lessons to 23 children at the Tracy Memorial Library. She also gives music instruction to the pupils of the Elkins School every afternoon except Friday. The music in the first six grades is in charge of Miss Ruth Mary Doe.

The 5th grade, in connection with its school work, has visited the Woolen Mill in Sunapee. The 5th and 6th grades listen every Friday afternoon to the musical programs given by Mr. Walter Damrosch which come over the NBC network.

Other Activities

The high school pupils participate in basketball, field hockey, and boxing. They appreciate having the use of the Town Hall since there is, of course, no school gymnasium. The school sponsors during the year several musical and dramatic programs. It is planned to enter some pupils in the State Prize Speaking Contest sponsored by the University of New Hampshire. Other pupils plan to enter the one-act play contest and probably the State Music Festival in the spring.

Hot lunches are served every noon to those pupils who need them. At present 37 children are receiving such lunches. The preparation and serving of these hot lunches are in charge of those pupils who are employed under the National Youth Administration. Two teachers are on duty at the Central School Building during the noon hour to supervise the pupils who do not go home to lunch.

Attendance

The per cent of attendance for 1935-36 was 95.38. This is an improvement over the per cent for the preceding year (93.79).

The total number of tardinesses last year decreased about 100 from the preceding year. We can make still further improvement in the matter of punctuality and should do so in the interest of establishing good habits in our children.

At the Elkins School Charles Morgan and Louise Morgan have had a perfect attendance record for the past four years.

Teachers' Meetings

Teachers' meetings are held every Friday afternoon at the Central School to discuss routine matters. Once a month there is a discussion of some professional subject. This year the teachers are studying character education with the purpose of formulating better ways of developing the correct attitudes and habits in the pupils. This study is being carried on in all the towns in this union.

Graduates

In the past four years there have been 26 pupils graduate from the New London High School. Ten of these have entered higher institutions of learning. None of these have failed in their college work and some have done excellent work. The University of New Hampshire attracts more of our graduates than any other one college. Our high school is approved by the State Board of Education and its graduates are, therefore, admitted on certificate to the state college and normal schools.

Finances

The total of the Budget for 1937-38 is less than the expenditures for last year and is nearly the same as the expected expenditures for this year. The appropriation needed is a little larger than the appropriation of last year owing to the fact that our anticipated balance this June will be smaller than the balance carried over last year.

The number of tuition pupils is practically the same as last year but the income will be larger this year because not as many tuition pupils are leaving this year.

I appreciate very much the cooperation always shown by the School Board and teachers. I want also to commend the janitors for their excellent service. A clean and comfortable building is essential for good school work and we appreciate having it.

Respectfully submitted,

ALFRED W. SMITH,

Superintendent of Schools.
